FACING MAYHEM®

Maryland Hard Rock & Progressive Metal

Facing Mayhem is a Maryland hard rock and progressive metal band forged from real life. The lineup brings together a Marine combat veteran, a firefighter, a doctor of psychology who drummed for W.A.S.P., and a Wammie Award-winning vocalist out of DC's Go-Go scene. Four people from different worlds making heavy, honest music about struggle and survival.

FEATURED IN SPIN

"The Washington, D.C. heavy prog of Facing Mayhem."

Ron Hart, SPIN · Now Hear This, October 2026
